

THE ALGORITHM KNEW MY NAME

ENGLISH 10 | 45-90 min

Zusatzmaterial - Creative Writing

Name: _____

Date: _____

YOUR WRITING CHALLENGE

Write a story called "The Algorithm Knew My Name". Your story should have a clear beginning, a problem or surprising moment, and an ending that makes sense.

Plan your ideas before writing. Use precise reasons, examples and linking phrases.

SUCCESS CRITERIA

- use the exact title
- introduce the place and characters
- include a problem or surprise
- describe feelings or reactions
- use paragraphs
- write about 170-230 words
- include direct speech
- vary sentence beginnings

LANGUAGE HELP

Beginning: At first ... / It all began when ...
Action: Suddenly ... / A moment later ...
Feelings: worried, relieved, confused, excited
Ending: In the end ... / From that day on ...
Useful links: although, whereas, therefore, as a result, from my point of view

STORY PLAN

Who and where?

What happens?

What is the turning point?

How does it end?
