YOUR PROJECT

Create an informative and attractive English product for the topic "Create a Future Job Fair". You may work alone or with one partner. A phone may be used for focused research if your teacher allows it.

Plan your ideas before writing. Use precise reasons, examples and linking phrases.

YOUR PRODUCT MUST INCLUDE

choose a clear format: poster, leaflet or one-page presentation
include a strong title
organise information into sections
add at least five useful facts or ideas
use English throughout
name any source you used
include one justified recommendation
consider your target audience

WORK PROCESS

1. Understand the task.
2. Collect ideas and facts.
3. Select the most useful information.
4. Draft the structure.
5. Create the final product.
6. Check language and presentation.
