## YOUR PROJECT

**Create an informative and attractive English product for the topic "Plan a Community Action". You may work alone or with one partner. A phone may be used for focused research if your teacher allows it.**

Plan your ideas before writing. Use precise reasons, examples and linking phrases.

### YOUR PRODUCT MUST INCLUDE

choose a clear format: poster, leaflet or one-page presentation  
include a strong title  
organise information into sections  
add at least five useful facts or ideas  
use English throughout  
name any source you used  
include one justified recommendation  
consider your target audience

### WORK PROCESS

1. Understand the task.
2. Collect ideas and facts.
3. Select the most useful information.
4. Draft the structure.
5. Create the final product.
6. Check language and presentation.
