A weekend with Grandma – the first plan

Grace went to the sports hall on Friday at 14:00. The group wanted to collect useful information. At first, the plan was easy to follow. Then a delivery arrived late. Grace asked the organiser for help. The group decided to use available materials and change one activity. In the end, the class understood the result. Grace wrote the new information on a card so that everybody could read it. The group was happy because it had solved the problem together.

1. Who is the main person?
2. On which day does the event happen?
3. At what time does it begin?
4. Where does the group meet?
5. What does the group want to do?
6. What changes the plan?
7. What does the group do before or while deciding?
8. Which solution does the group choose?
9. What is the result?
10. Put in order: problem – result – planned task.
11. Give the text a suitable short heading.
12. State the main message in one sentence.

READING TEXT 2 · READ THIS TEXT FIRST

A weekend with Grandma – what changed

Sam went to the town centre on Monday at 12:20. The group wanted to help a younger group. At first, the plan was easy to follow. Then a piece of equipment did not work. Sam asked the organiser for help. The group decided to borrow safe equipment after checking it. In the end, the team avoided a second problem. Sam wrote the new information on a card so that everybody could read it. The group was happy because it had solved the problem together.

13. Who is the main person?
14. On which day does the event happen?
