A lighthouse letter – the first plan

Ruby went to the school kitchen on Wednesday at 10:45. The group wanted to solve a practical task. At first, the plan was easy to follow. Then the weather changed the original plan. Ruby asked the organiser for help. The group decided to choose an indoor activity. In the end, the report included all key facts. Ruby wrote the new information on a card so that everybody could read it. The group was happy because it had solved the problem together.

1. Who is the main person?
2. On which day does the event happen?
3. At what time does it begin?
4. Where does the group meet?
5. What does the group want to do?
6. What changes the plan?
7. What does the group do before or while deciding?
8. Which solution does the group choose?
9. What is the result?
10. Put in order: problem – result – planned task.
11. Give the text a suitable short heading.
12. State the main message in one sentence.

READING TEXT 2 · READ THIS TEXT FIRST

A lighthouse letter – what changed

Ethan went to the town park on Friday at 9:30. The group wanted to explain the result to the class. At first, the plan was easy to follow. Then a key person was absent. Ethan asked the organiser for help. The group decided to divide the missing person's task among three pupils. In the end, the activity started safely. Ethan wrote the new information on a card so that everybody could read it. The group was happy because it had solved the problem together.

13. Who is the main person?
14. On which day does the event happen?
15. At what time does it begin?
